The City Directory

is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at the list of those who sell do themselves great injustice. The classified lists in the Business Directory form the best Buyers' Guide on earth. A modern, up-to-date method of getting what you want.
USE the Buyers' Guide Section to Find the Best Source of Supply for Your Needs

MORE GOODS ARE BOUGHT AND SOLD THROUGH THE CLASSIFIED BUSINESS LISTS OF THE DIRECTORY THAN ANY OTHER MEDIUM ON EARTH
TRADE! You like
to patronize those concerns
who are in business to stay.

It's human to expect that such busi-
ness establishments always stand
back of the wares they sell.

The advertising in this Directory is
suggestive of the stability and per-
manency of the advertisers.

Frauds, fakes, get-rich-quicks and
other schemers have little use for
directory advertising. It lives too
long.

The modern City Directory is a
business institution. It occupies a
place peculiarly its own. It is as
necessary to the progress and de-
development of a city generally as
anything naturally would be which
deals with such a fundamental as
the citizens themselves.

If you are not advertising your busi-
ness in the Directory, may we ex-
plain how and why it will pay you?

Do you realize that a City Directory advertisement is a testimonial to the permanency, the stability, of the advertiser?

That's the sort of concern all of us want to patronize, because we know when they sell us merchandise they are behind it in every way, today, tomorrow, and for the years to come.

"Fly-by-night," "fire-sale" and other temporary or "get-rich-quick" concerns rarely appear in the City Directory.

And it is a noteworthy fact that the concerns which advertise one year in the city directory are there again next year. 90% of directory advertising is renewed.

Directory advertising is profitable. In connection with the classified business headings it is doubly effective.

May we explain how and why it will pay you?

The Publishers of this Directory
Power of Advertising

The City Directory is the power that generates information for the buyer that he may know who deals in the product he wishes to purchase.

If your business is not classified properly and a display advertisement arranged to describe your business, how can you expect the buyer to trade with you?

Advertising is the foundation upon which successful businesses are built. You must apply this to your own particular business.

Advertising is the power of an idea multiplied.
